## Ten vie for ACSG positions

Paula Groner

Suzanna Crate

Elizabeth Reed

Mary Frances Scallal

Danny Reardon

Debbie Farrla

Karen Halbhuber

Linda Morris

Donna Malona

Avila College Student Government (ACSG) candidates completed a questionnaire to better acquaint the voters with their qualifications. Included in the questionnaire: Name, Current year in school, Major, Position seeking, and three items of interest; (1) Previous campus activities, (2) Why are you seeking this position?, and (3) Why do you feel you are qualified for this position?

**Paula Groner**  
Sophomore  
Psychology  
President

(1) I have been a Senator in the Student Government for the past two years and a representative to Academic Affairs. I have also helped organize activities for Campus Ministry.

(2) I enjoy being in student government and wish to continue my role in it. I like helping the students and faculty see each other's goals and needs.

(3) I have been a Senator for the past two years and have served on several committees in the organization. I feel I know a lot about student government and the role it plays on Avila's campus. I believe I have the leadership qualities needed for the position of President.

**Suzanna Crate**  
Junior  
Chemistry/Medical  
Technology  
Secretary/Treasurer

(1) I have been a member of ACSG for two years now. The first year I was Senator for NAHSM and the second year I was Secretary/Treasurer.

(2) Because I enjoy working with the people on Student Government and the people associated with Student Government. I have met

many new people during the last two years and would like to meet more. I also like being involved and the learning experience that ACSG allows.

(3) I feel I am qualified for this position as I have two years of previous experience serving as a member of Student Government.

**Elizabeth Reed**  
Junior  
Legal Assistant  
Senator, Business/  
Economics

(1) Business Senator 1982-83, Student Activity Fee Board 1983, "Avila Examiner", Fellowship of Christian Athletes, Intramurals.

(2) I would like to represent the Business department and I'm interested in what decisions or changes that occur in the department and what areas of business these ideas will affect.

(3) I feel that with my past experience working with Student Government and my interactive activities with the student body, it will give me a good idea of what is expected of me, my duties and obligations to the ACSG, and will try to accomplish these expectations to the best of my abilities.

**Mary Frances Scallal**  
Junior  
Business Administration  
Senator, Business/  
Economics

(1) The positions I hold currently for ACSG are Business Senator and Public Relations Chairperson. I am a member of the American Marketing Association. I have written for the "Avila Examiner" the past two and one half years, during which time I have held the positions of news editor and features editor.

(2) I would like to continue my involvement in ACSG because of the unique opportunities it brings. It has enabled me to get a perspective into the workings of the college which I wouldn't have had otherwise. The Business Department is a very vital and important part of Avila and I want to continue to represent the Business student in student government.

(3) I am qualified for the position of Business Senator because I am currently Business Senator, and as such, I already have familiarity with the activities of the Business Department. A good working relationship with the department head is essential, and I have that with Dr. Gay.

**Patty McGeary**  
Freshman  
Speech-Theatre  
Senator, Performing and  
Visual Arts

(1) Women's soccer, women's basketball, Avila Students for Pro-Life, theatre productions, Residence Hall Government committee member.

(2) I would like to get the theatre department more involved in student activities. I would like to show them that there are fun activities outside of theatre. To many times they don't become involved and rarely know any of the school's stands on topics and issues and coming events.

(3) I have to be with people! This includes talking to, working with, helping, etc. In high school I was class chairperson for three years and I feel that I kept my classmates will informed of school activities. I got a lot of support from a very disinterested class—which is unusual. I feel that I have lead-

ership qualities and would like to use them to the best of my ability in getting theatre majors more involved with Avila.

**Danny Reardon**  
Sophomore  
Speech/Theatre,  
Education  
Senator, Performing and  
Visual Arts

(1) One year ACSG, various theatre activities, open house committee.

(2) As a PAVA senator, I feel I have given our department a stronger voice in student affairs. On the other side, I feel I have made a contribution to ACSG as a whole. My job is far from finished, however. I want to expound on accomplishments we've made this year and improve any weaknesses.

(3) I feel my knowledge of ACSG, Avila College in general and most important, most PAVA students, qualifies me for this position. I want to make my contribution at Avila. Maybe with my help, the students can make a difference with themselves and their school. I want to be there when students or faculty need my help.

**Debbie Farrla**  
Sophomore  
Special Education: ED/LD  
Senator, Education/  
Psychology

(1) Women's Club Level Soccer Intramurals, Fellowship of Christian Athletes.

(2) It will give me an opportunity to get involved more in my department and give me a chance to work in the decision making processes of Avila College.

(3) As a student, I am able to express what students see as needing change in the Education/Psychology Department. Also, I was invol-

ved in Student Council during high school, so I understand the working of the student government system.

**Karen Halbhuber**  
Sophomore  
Nursing, Psychology  
Senator, Nursing

(1) This past year, I have been involved in various activities of ACSG. During the fall semester of 1983, I attended faculty-staff meetings; and presently, I am on the Academic Affairs Committee.

(2) There are two main reasons that cause me to seek the position of Senator for the Department of Nursing. The first of these reasons is that I want to be aware of what is occurring within the Nursing Department. Secondly, I wish to represent the many other nursing students through my involvement as a Senator. As a Senator, I would be able to have an active role in the Avila community.

(3) I feel I am qualified for the position of Senator for the Nursing Department. Through my awareness and assertiveness as a Senator, I believe I would have a beneficial role in representing the nursing students. I already have an understanding of student government because of previous involvement. This involvement in Student Government has allowed me to see that student have a vital function at Avila.

**Linda Morris**  
Sophomore  
English and Marketing,  
Sociology  
Senator, Modern Languages

(1) I was the Editor of the "Avila Examiner" during the spring semester of 1983. I am currently a reporter for the "Examiner." I also participate on the Student Union Board, acting as the Films Coordinator.

(2) I am seeking this position because I think I could help promote communications between the Modern Languages Department and the other departments. I also wish to make students aware of the issues which concern them so that they can voice their opinions about policies.

## Easter Sunday ends Special Holy Year

Easter Sunday will mark the conclusion of the special Holy Year which was declared by Pope John Paul II on March 25, 1983. During this year of grace the Holy Father urged Catholics throughout the world to intensify prayer, works of mercy, and reception of the Sacrament of Penance. Special services will be held on Avila campus during Lent to provide opportunities for members of the community to join together in celebration of the Holy Year.

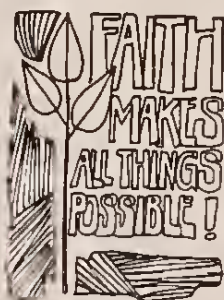

FAITH AWARENESS WEEK will be held March 19-25. On Monday Avila community will join with Sister de La Salle and Sister Mary Margaret in recognition of the Christian witness they have given through fifty years of dedication as Sisters of St. Joseph of Carondelet. Tuesday a Christian Sing-A-Long will be held in the Marian Centre Snack Bar from 6:00-7:00. Wednesday evening Father Jim Lyons, Chaplain, will lead a sharing on the changes in the church with special emphasis on the Sacrament of Penance. Thursday evening at 7:00 students will join in an ecumenical sharing as students of various religious denominations share their beliefs. Throughout the week posters and literature will stress the theme:

Faith Makes All Things Possible. The week will conclude with a student planned liturgy in honor of the Blessed Virgin on the Feast of the Annunciation. This mass will be offered at 4:00 on March 24 in Fovle Hall Chapel.

On Wednesday evenings during Lent the opportunity to share in a reflective entry into the Way of the Cross will be held in the chapel at 8:15 p.m. Two stations of the cross will be used each week in a reflective experience which will lead participants to an on-going entry into the Journey of Calvary.

April 12, at 4:00 a special Holy Year Penance Service will be held in response to the Holy Fathers urging Catholics to participate in the reception of this sacrament.

Further information regarding the above events is available in the Campus Ministry Office, Borserine 422 or by calling ext. 286

## 'Cornerstone' to provide music

"Cornerstone," pictured above, will provide the music at the Spring Dance on March 31. The band has been together for the last four years and specializes in performing for dances, and playing Top-40 music.

The Spring Dance will be at the Ramada Inn-South, located on Highway 71 at the Longview Road Exit. The dance will begin at 9:00 p.m. and end at Midnight.

A free flower and boutonniere will be given to the first 25 ladies and gentlemen, respectively, who attend the dance.

This is the last dance of the school year. Sponsored by the Student Union Board, tickets for the dance may be purchased in the Office of

Student Life, Marian Centre. Admission is \$1.50 advance, and \$2 at the door/per person.

### Avila 'phone home'

## Phone system updated

If you have ever had difficulty calling in to or out of Avila, you know the phone system is not the best it could be. Avila has decided to remedy that situation.

Avila college is in the process of acquiring a new telephone system for the campus. The Finance Committee has received bids from several firms, and the college is now negotiating a contract for the new phone system. It is hoped to be installed in the next 6-8 weeks and will have capacity for future growth, according to G. Richard Scott, Academic Dean.

"Avila has had its present phone system for ten years," Dean Scott said, "and it is starting to show its age."

The new system will provide a higher ability to call off campus. Avila now has

eight outside lines that are working. The new phonesystem will have 12 trunk lines.

The new PBX switchboard will utilize computer software. Now, when one tries to place a call outside the campus from a campus extension, one must dial 9, then the desired phone number. If all the outside lines are busy, the call must be placed at another time.

With the new phone system, the computer will be able to remember your phone call and will call you back to let you know that there is an outside line open.

The new system will also provide better access to offices on campus. It will have an internal call-forwarding feature. If a professor is not in, calls will be able to be forwarded to another professor's office.

SCARTAGLEN a well established Celtic musical group, is the third performance in the Day-Break Series.

In keeping with the DAY BREAK SERIES intent to present a wide variety of entertainment, on March 27 it will present STILL AND MAX-ventriloquist comedian. Max (supposedly the dummy) is no blockhead when it comes to picking a comedy partner. Max himself, having been created by the same artist who designed the figure in the movie "Magic" has to be very selective about who he appears with.

STILL AND MAX perform on March 27, 12:00-1:00 p.m. in the Marian Centre Snack Bar.

## Human sexuality series

Student Health Services is sponsoring a series on human sexuality, which Carol Frevert, RN, is coordinating.

The first program in the series will be Thursday, March 29, 8:00 to 9:00 p.m., on 5th Floor Ridgway Hall. The topic will be, "Relationships: Who Has The Advantage?". Jerry Kitzi, director of Adolescent Resource Center, will lead this discussion on the male/female roles, exploring the audience's feeling and beliefs.

The second segment in the series will be Tuesday, April 3, 7:00 to 8:30 p.m. on the 3rd Floor Carondelet Hall. The topic, "Reproduction and Family Planning", will be presented by Ila Jean Ulrich, RN, Associate Professor of Nursing. This presentation will deal with male and female anatomy, conception, and contraception.

The final segment in the series, held Thursday, April 5, 8:00 to 9:30 p.m., in Marian Centre Lounge, will be a panel discussion, "Do I Want To Be A Parent. Now? Ever?". Married couples on the panel will be looking at choices, considering the pros and cons of parenthood, and discussing their personal reasons for having or not having children.

Carol Frevert, Student Health Nurse, states, "The purpose of the human sexuality series is for students to gain insight into their own sexuality, to educate themselves about their own bodies, and to share with others their feelings and beliefs."

This series is free to Avila College community and their guests. Brochures containing added information will be distributed on the Avila campus.

# Jubilee celebration honors Sisters

"The Congregation of the Sisters of Saint Joseph of Carondelet is a community of women religious who through public profession of the evangelical counsels of chastity, poverty, and obedience respond to the Lord to live entirely for Him and for others. It is a congregation of pontifical right in the Roman Catholic Church."

It is with this thought in mind that two of Avila's Sisters of Saint Joseph of Carondelet celebrate 50 years dedicated to the beliefs and works of the Congregation.

**Sister de La Salle McKeon and Sister Mary Margaret Higgins** will celebrate their jubilees on March 19, the Feast of St. Joseph, patron

of the Sisters of St. Joseph; a day of renewal of vows.

Music was a major part in **Sister de La Salle's** life and began as early as the first grade.

"My mother was determined that one of her seven children would be musical. I was the last child, so the attention to play the piano was bestowed upon me," said Sister de La Salle.

Sister was born in Kansas City and moved with her family to Saint Louis during her fifth grade year. As a sophomore in High school, she decided she would enter the convent upon graduation.

Sister de La Salle credits her favorite teacher in high

school, who also was a Sister of St. Joseph of Carondelet, with inspiring her to dedicate her life to God.

Sister has been with the College of Saint Teresa/Avila College since 1946. She started the "Annual Avila-Diocesan Music Festival" which, as of the week of Spring Break, concluded its 39th year.

"The highlight of my years with the college was the building of Goppert. Before Goppert we had three studios in O'Rielly Hall but no practice rooms. Now we have studios and practice rooms," Sister commented.

Sister de La Salle holds a Ph.D. in Music Theory from the Eastman School of Mu-

**Sister Mary Margaret Higgins** sic, University of Rochester, New York.

**Sister Mary Margaret Higgins** retired this fall from 47 years of teaching and began a second career as part-time switchboard operator at Avila.

Sister is a native Kansas Citian but has spent most of her years as educator, principal, and guidance counselor in schools that her community staffed in Colorado, Georgia, Michigan, and Texas, as well as in Kansas City, Saint Louis, and Ste. Genevieve in Missouri.

She was educated at Redemptorist Grade and High Schools, Fontbonne College, St. Louis University, and did post-graduate work at Catholic University, Washington, D.C.; Notre Dame University; Rockhurst College; and UMKC.

"I knew I wanted to be a teacher. That was why for 30 years I was known as Sister John Bosco, a great Italian

**Sister de La Salle McKeon**

educator. I returned to use my given name, Mary Margaret, to avoid the confusion I sometimes experienced using a man's name," stated Sister.

As a relatively new member to Avila College, Sister said, "I enjoy the friendly spirit of the Avila College Community and the opportunity of living with a great group of Sisters."

Please come to a Mass of Thanksgiving and Reception to celebrate with Sister Mary Margaret Higgins, C.S.J. and Sister de La Salle McKeon, C.S.J. their Fiftieth Anniversary as Sisters of St. Joseph of Carondelet March 19, 1984. ## Music Festival going strong

For the thirty-ninth year, Avila College hosted the "Annual Avila-Diocesan Music Festival" the week of Spring Break. Approximately 3200 students from the Kansas City area Catholic elementary and high schools participated in the festival.

The festival included piano soloists, choral groups, organ soloists, vocal ensembles, instrumental soloists, and vocal soloists.

On Sunday, March 11, there were two Festival Concerts featuring the most outstanding performers heard

by the judges during the Festival days.

Avila College offers two \$500 music scholarships in piano and/or voice to Music Festival participants who will be entering Avila in the Fall of 1984.

Sister de La Salle McKeon, Professor of Music, originated the festival, "It used to be one night and about 300 students would participate. From there it grew. It was almost dropped twice. It would be at St. Teresa's and then a different school."

"With the building of Goppert Theatre and assistance of the Diocese of Kansas City-St. Joseph we have been able to continue the program. Throughout the Festival and the Concerts' participants and audience I estimate 4500 people were on campus," stated Sister de La Salle.

Sister added, "This is the first time many of the students have ever been on Avila's campus. Hopefully, the Music Festival experience encourages students to include Avila when considering a college to attend."

## You ought to be in pictures? 'Full Metal Jacket' talent search

Director Stanley Kubrick, whose films include, "2001: A Space Odyssey", "A Clockwork Orange", "Dr. Strangelove" and the "Shining", is conducting a nation-wide talent search for new faces to play the parts of young Marines in his new film "FULL METAL JACKET", based on the novel "The Short-Timers" by Gustav Hasford who served as a Marine in Vietnam from 1967 to 1968.

Filming will begin in the Autumn of 1984.

The story follows 18 year old marine recruit, Private Joker, from his carnage-and-machismo initiation rites at the Marine Corp Parris Island training camp, where his drill instructor brags about the marksmanship of ex-marines Lee Harvey Oswald and Charles Whitman, to his climactic involvement in the heavy fighting in Vietnam during the 1968 Tet offensive.

Anyone interested in doing an audition video tape for a part in this film should follow

the instructions below.

#### How to do an Audition video tape

1. Use a 1/2 inch VHS or Sony BETAMAX home video recorder and camera set-up.
2. If the VHS recorder runs at two speeds use the faster of the two speeds.
3. Wear a T-Shirt and Pants.
4. Start the video recording with about a 3 minute acting scene. Do any scene you think appropriate and with which you feel comfortable.

5. Next, do about a minute or so telling something about yourself and your interests.
6. Next, hold up a piece of paper on which you have clearly printed your name, address, phone number, age, and date of birth. While you are doing this say the same information out loud.
7. Last of all, do a close-up and a full length shot of yourself on the video, from a front view and a left and right profile.
8. Stick a label onto the cassette with your name, address, telephone number and age clearly printed on it. Unfortunately, we cannot return any of the video tapes.
9. Air Mail the cassette in a padded bag to Stanley Kubrick, Warner Bros., 135 Wardour Street, London, W1V 4AP, England

## IN ARMY NURSING YOU KEEP ADDING NEW SKILLS.

It's important that you're treated with the dignity and respect accorded an Army officer. And it's important to work in a modern medical center, earn a top salary, and travel. But perhaps the most important aspect of Army Nursing is the dedication to education. In Army Nursing you have the opportunity to attend professional conferences, pursue advanced degrees and study a variety of nursing specialties.

If you're a student working on your BSN or if you already have a BSN and are registered to practice in the United States or Puerto Rico, look into Army Nursing. Stop by or call us:

## February 7, 1984 MEN'S BASKETBALL

The Avalanche offense will be looking to regain its shooting touch tonight against the Missouri Western Griffons. In their recent 72-49 loss to Rockhurst, the offense shot only 15 of 48 from the floor.

Rockhurst took an early lead in the game but could not pull away as Avila guard Tom Saunders had the hot hand, scoring 9 or his team's 11 points. The Hawks though did maintain a lead and entered the lockerroom at the half ahead 28-21. That was as close as the Avalanche came in the game as the Hawks widened the margin in the opening minutes of the second half. The loss dropped Avila's record to 8 and 15.

## WOMEN'S BASKETBALL

The Lady Avalanche face their toughest competition of the year this week as they travel to Missouri Western tomorrow night, UMKC on Friday night and host William Woods on Saturday afternoon. All three teams are among the best in NAIA District 16, with UMKC ranked nationally.

## February 15, 1984 MEN'S BASKETBALL

Avila enters the last week and a half of the season as a darkhorse in the District 16 playoff race. To finish in the picture they will need a strong finish and help from teams currently in front of them in the Dunkel rankings. In recent games Avila de-

feated Kansas Newman with 20 points, hitting 8 of 12 from the field and 4 of 5 from the free throw line. Three of his free throws came in the final minute to secure the victory. Jerry French had a strong defensive game with 14 rebounds and 4 blocked shots.

Saunders and Mike Mount rallied Avila against Missouri Western. With Saunders driving down the middle and Mount shooting from the outside the Avalanche overcame a twelve-point deficit. Saunders finished with 22 points and Mount finished with 14 points, hitting 7 of 8 from the field.

## February 22, 1984 MEN'S BASKETBALL

The Avalanche close their 1983-84 campaign this Saturday night against Lindenwood. Before the Lindenwood game though Avila must travel to William Jewell to play the Cardinals on Thursday night. Jewell is currently in the battle for one of the final District 16 playoff spots.

Avila enters the Jewell game with 2 wins in their last 3 games. The Avalanche squeaked by Benedictine 69-67 in overtime, lost to UMKC 51-44, and just escaped Baker with a 48-47 win. Leading Avila in the first two games was All-District candidate Tom Saunders.

Against Benedictine Saunders had a career high 31 points with 9 of the points coming in the final 4 minutes of the game and overtime. Jerry French played a strong supporting role with 16 points.

Saunders continued to

have the hot hand two nights later when the Avalanche hosted the UMKC Kangaroos, the District 16's No. 1 team. Saunders and fellow guard Jeff Thompson teamed together to erase UMKC's 29-22 halftime lead, the Avila defense held the Kangaroo's scoreless for the first 8½ minutes of the second half. At that point in the game Avila let 34-31. Joe Washington though brought his team back for the victory with several key baskets in the last five minutes.

## WOMEN'S BASKETBALL

Avila closes its season on the road Saturday night with a game against School of the Ozarks. It will be Avila's third game in 3 days as they play William Jewell in Liberty on Thursday night and host John Brown University on Friday night.

The Lady Avalanche has scored 2 wins in their last 4 games. Avila defeated Benedictine 63-61 in overtime. Linda Hall scored the winning basket with 0:04 left on the clock. Avila sank the

Park Pirates 75-61. Kathy Hale and Linda Hall scored 16 apiece for Avila. Rockhurst defeated Avila 60-44 despite a strong showing by the Avila defense which held Rockhurst scoreless for the first 9 minutes of the second half. Shawn Gough led Avila on the offensive side with 20 points. One of the top District 16 teams Missouri Southern ran by Avila 93-66. Judie Burkhalter and Ginger Coldsnow led Avila in scoring with 20 and 18 points respectively.
